1) The Municipal Council of Davenagere have also passed a resolution in their meeting held on 11th April 1944 approving the resolution of the Standing Committee to fix the present salary of the official at Rs 75/- The President, Municipal Council also recommends the fixing of the pay of the official at Rs 75/- in view of the official having stagnated on Rs 35/- without any increment, for a period of six years The Deputy Commissioner

Unit-Idrug District also recommends the case of the official on the above grounds. The work of the official is reported to be satisfactory.

I therefore request you to be so good as to obtain and convey sanction of Government fixing the pay of the official at Rs 75/- i.e., giving him three advance increments in grade '1' 35-2-30-4-87 as he is at present drawing Rs 60/- from 17.12.43

2609/43-44 dated 6th June 1944 from the Deputy
Commissioner, Chitaldrug District, Chitaldrug to the Director of
Public Health in Mysore, Bangalore

Application of Mr K M Hanumantha Setty, Sanitary Inspector,
Davanagere Municipality in the matter of fixing up of his pay
at Rs 75/-

In forwarding herewith the entire file of records ending with
letter No D S 178/43-44 dated the 27th May 1944 received from the
President, Davanagere Town Municipal Council on the above subject,
I have the honour to state that from a perusal of the Service
Register of the official it is seen that he was first appointed as a
Sanitary Inspector in December 1924 in Shimoga District, on probation~~al~~
for a period of two years on a pay of Rs 55/- that even after the
completion of probationary period, he was not confirmed and was
allowed to draw the minimum pay in the grade of Rs 55-2-87 till 9 6 31
in the meanwhile he was appointed as Village Panchayat Inspector in
Nagar and Kumsi Sub Taluk and he was drawing a salary of Rs 55/-
only The official represents that the then Deputy Commissioner
of Shimoga District ordered that the Standing Order of Government
fixing the minimum salary of Village Panchayat Inspectors at Rs 60/-
plus Rs 15/- allowance per month should be given effect to in the case
of the official in question This fact however, is not supported
by any entry in the Service Register, as perhaps the post of the
Village Panchayat Inspector was abolished at the time and the order
of the Deputy Commissioner could not therefore come into effect
The grievance of the official is therefore that he stagnated in service
for a period of nearly 6 years and was not allowed to draw any increments

The Municipal Council, Davanagere at its meeting convened on
11th April 1944 has resolved that the prayer of the applicant to fix
his pay at Rs 75/- may be approved The question, therefore
involves the grant of advance increments of three years in consideration
of the period of 6 years during which he was allowed to stagnate
The official is drawing Rs 65/- from 17 12 1943 in grade 55-4-87
The work of the official as seen from the copies of the certificates
enclosed is reported to be satisfactory I therefore request that a
recommendation may kindly be made to Government to sanction the
prayer of the applicant under the circumstances reported

The Serviceregister of the official
for reference and return.
